

# Warrior Worx

## About the company

Workshop has been in operation since 2006

Warrior Worx is a specialist Land Rover workshop and accessory

fabricator for most 4X4's, Series (I, II and III) Range Rover, Discovery's and Defenders (V8, 2.8, Tdi 200 and Tdi 300, Td5, Puma's)

Apart from a full workshop we do customizing to most vehicles, manufacture under vehicle protection kits, recovery equipment, camping accessories and also tend to customers individual needs. Mechanical work includes servicing, comprehensive safety inspections (aimed @ vehicles doing overland trips and long distances), complete engine, gearbox, differential and transfer case rebuilding.

## Founder And CEO Of Warrior Worx

### Saurus Taljaard

Since I bought my first Landrover, I had a passion to one day own my own Landy workshop, a dream that was realised in 2006 when I started Warrior Worx.

We now do apart from mechanical work, also engineering such as manufacturing towing hooks, differential gaurds and many more.

## We Provide you with a total Vehicle Repair Solution

### Customising

- The company, Warrior Worx is aiming at fabricating a comprehensive range of quality products for outdoor and Land Rover enthusiasts. The range of products include:

- The "Bush Chef" braai
- Lockable safety compartments
- Waterproof hidden compartments
- Rock sliders
- Fender top air intake ram
- Defender steering guard, front and rear differential guards, differential sliders, track rod protectors
- Special purpose design bull-bars
- Winch cradle mountable work surfaces and more
- High-lift jacks and repair kits
- Winches, winch cables and related products
- Dual battery systems and high output replacement alternators
- Spotlights from Hella and Land Rover
- Topping this range of products is an almost unlimited supply of secondhand spares, original Land Rover parts reasonably priced
- Sound and audio products and more
- *We now collect and drop off customers in the Pretoria area*

### Workshop

Complete mechanical workshop specialising in Landrover repairs, but also cater for your family vehicle.
